

SD English Learner Chats Frequently Asked Questions

What is the purpose of the SD English Learner chats?

- The purpose of the SD English Learner Chats is to form a community of educators supporting ELs and building academic language use for all students. This group will share resources, receive on-going professional development and focus on current special topics as needed.

When will the SD English Learner Chats be?

- The SD English Learner Chats will be every third Thursday of each month via Skype for Business

Where do I get call-in information?

- Call-in information can be found here: (insert link here)

What will the webinar be like?

- For the first 15 minutes, webinar moderators will spend time discussing hot topics in the EL world. The rest of the webinar will be focused on the discussion for that month.
